

# CAPABILITY STATEMENT

## ABOUT

Based in Nashville, TN, **American Supplies, LLC** is a minority owned company specializing in a variety of high-quality cleaning supplies, copy paper, PPE, and other disposable products to companies of all sizes. Our goal is to become the minority vendor of choice for companies seeking exceptional products tethered to superb customer service.

As a new company, we are actively seeking opportunities to showcase our capability to provide high-quality products in bulk at wholesale prices.

We intend on giving our corporate clients the opportunity to demonstrate their stated commitment to diversity and inclusion by partnering with them to bring a minority-owned company into their supply chain operations.

## PAST PERFORMANCE

As a newly formed company, our performance is reflected in the experience and expertise of our owners.

- *Michael Fiori* has over 20 years of experience in the residential mortgage industry. His former employers include TransUnion and Countrywide Mortgage in the Project Management and Legal Affairs department.
- *JaCarey Hamer* has extensive education in supply chain operations, business ethics and management acquired by earning his Master of Business Administration from Middle Tennessee State University.
- *Nakero Hamer* has proven success in supply chain operations specializing in account management and customer service.
